

Press Release

Adv. (Eng.) Haim Geron appointed Acting Director General, Ministry of Communications, for upcoming period

=====

Minister of Communications Moshe Kahalon has appointed Mr. Haim Geron as the Ministry of Communications temporary Acting Director General for these next upcoming weeks.

Adv. Geron has been serving for the past several years as Senior Deputy Director General, Engineering and Licensing Division, at the Ministry of Communications.

Prior to that, he served as a lawyer at the Ministry's Legal Bureau.

In the past, Mr. Geron worked in several managing and engineering position in the hi-tech industry.

Minister Kahalon thanked Ministry of Communications outgoing Director General Mr. Mordechai Mordechai for his all his activity to advance Israel's telecom market, and wished him good luck in his new post as Director General, Ministry of Housing and Construction.
